

The Insider Express

A monthly e-newsletter of the HAM-TMC Library

Vol.3 (3) March 2005

The Insider Express communicates Library news to our users and the Texas Medical Center community. To subscribe or to be removed from this list please send a message to liblines@library.tmc.edu

Hot Topics: Library Usage Policy; 9th Annual Houston Conference on Health Informatics; Electronic Books; New Publication-NIH News in Health; Two New Classes Offered at the Library.

Library Usage Policy

The HAM-TMC Library has implemented a usage policy. For security reasons, an institutionally-issued photo identification badge or a library card will be required for use of the Library facilities.

For more information visit the Library web page at:

<http://resource.library.tmc.edu/>

9th Annual Houston Conference on Health Informatics

Is it Just a Game? Performance and Ethics in Sports Medicine, the 9th Annual Houston Conference on Health Informatics, will be held on Friday, May 27, 2005 at the John P. McGovern Museum of Health & Medical Science from 8:30 am to 3:00 pm.

More information available at the conference web site:

<http://resource.library.tmc.edu/hchi2005/hchi2005.php>

Electronic Books

Over 800 electronic medical and health science book titles in electronic form from *STAT!Ref*, *OVID*, and *netLibrary* have been added to the Library collection.

For a complete list of the electronic books go to:

<http://resource.library.tmc.edu/resources/ebooks.php>

New Publication-NIH News in Health

NIH News in Health is a new health newsletter free from the National Institutes of Health, the primary Federal agency for conducting and supporting medical research. *NIHNIH* replaces and improves upon *The NIH Word on Health*. This new monthly newsletter brings you practical health news and tips based on the latest NIH research.

Visit the web site at <http://newsinhealth.nih.gov> to browse through our stories or download copies for printing.

Two New Classes Offered at the Library

The following classes will be offered. TOXNET, the National Library of Medicine Toxicology Data Network meets on April 19, 6:30 - 7:30 pm and SciFinder Scholar-Chemical Abstracts Service Database, meets on April 21, 6:30 - 7:30 pm.

For more information check the class schedule at:

<http://resource.library.tmc.edu/class/schedule.php>

Please check the library website for class schedule changes.
