WELCOME

Pamela T. Hale is the new Systems Specialist at the Library. Pamela joined the Library on December 10, 2002. She graduated from the University of Houston, with a degree in Classical Studies. She worked there for 10 years, 5 years of which were spent as Manager of the Electronic Resource Center. Prior to coming to the HAM-TMC Library, Pamela spent a year as a Systems Analyst at the University of Houston.

Lee Hilyer, M.L.I.S., joined the Library on April 8, 2002, as Manager of the Photocopy/Inter-

Library Loan Department. Lee started his career as a graduate assistant in the ILL department at the University of South Carolina, and was promoted to a full-time position within the department while completing his library degree. After graduating, he joined the staff of KR SourceOne New York, a full-service document delivery company.

In 1997, Lee joined the professional staff at Rice University as Research & Document Delivery Librarian. In 1999 he was promoted to the position of Interlibrary Loan Librarian.

He recently completed a monograph on interlibrary loan for Haworth Press which will be published in late 2002.

Lee's current professional interests include streamlining interlibrary loan operations, expanding use of electronic resources for interlibrary loan, and exploring the potential of handheld devices for use in interlibrary loan.

WELCOME

Patricia Bradley, M.L.S., joined the NN/LM SCR office as

the Special Populations Outreach Coordinator on February 25, 2002. Patricia served most recently as the Medical Librarian at Gallup Indian Medical Center, Gallup, NM. She has previous experience with the Navajo Health Authority Library in Shiprock, NM.
