

The Insider Express

A monthly e-newsletter of the HAM-TMC Library

Vol.5 (2) 2007

<http://resource.library.tmc.edu/pubs/pubArchives/express/TIEv5n2.pdf>

The Insider Express communicates Library news to our users and the Texas Medical Center community. To subscribe or to be removed from this list, please send a message to liblines@library.tmc.edu

Hot Topics: Library Holiday Hours; Library Online Catalog Relocated; Go Local Texas Gulf Coast Blog; CSA Illustrata - New Database Trial; Featured HAM-TMC Library Classes; NN/LM SCR Classes

Library Holiday Hours

The Library will be open from 8:00 a.m. – 5:00 p.m. on Monday February 19, in observance of President's Day. No reference services will be available. Regular hours will resume on Tuesday February 20.

Library Online Catalog Relocated

As part of our long-term disaster planning process, the [HAM-TMC Library's online catalog](#) server has been relocated to another site in the United States. This move helps ensure that, if you have electricity and access to the Internet, you will have access to the library catalog. Please remember to change your bookmarked link to the new link noted below.

Go Local Texas Gulf Coast Blog

Following in the footsteps of *Michigan Go Local*, [Go Local Texas Gulf Coast's](#) website project directors have instituted a [blog](#) environment for this free consumer health website. The blog will be used to humanize the website project, post highlights from the quarterly reports, discuss promotion/networking/outreach, list health fairs and other local notices, and promote partners and health issues.

To access the Go Local blog click this link:

Questions? Contact Adela Justice, 713.799.7183 or adela.justice@exch.library.tmc.edu

Visit Go Local Texas Gulf Coast at <http://www.medlineplus.gov/tgc> for local health resources in the Texas Gulf Coast area.

CSA Illustrata - New Database Trial

This database contains thousands of searchable tables, figures, graphs, charts and other illustrations from the scholarly research and technical literature. Illustrata: Natural Sciences is an interdisciplinary database covering articles from journals covering the

fields of Biology, Environmental Studies, Medical Sciences, Education, Veterinary Science, Food and Food Industries, Pharmacy and Pharmacology and Public Health and Safety.

The CSA Illustrata Natural Sciences trial lasts until February 28. Please send your comments to [Leah Krevit](mailto:Leah.Krevit).
