Library Closed on Monday May 25

The HAM-TMC Library will be closed on Monday May 25, 2009 in observance of Memorial Day. Regular hours resume on Tuesday May 26.

For a complete list of holiday hours, visit the library website at:

PubMed for TMC Users-- What is it?

On May 12 the “**PubMed Remote**” link that everyone was used to clicking to search PubMed and retrieve the electronic full-text journals, was renamed “**PubMed for TMC Users**.”

The Library decided to make this change since all registered HAM-TMC Library users must use remote access regardless of their physical location. The “**PubMed for TMC Users**” link is the one that provides the **Find It!** button leading from abstracts to HAM-TMC's e-journal full text.

The **PubMed** link below it is available to any library visitor who would like to search PubMed. Using that link only leads to full text when the item is free or open-access.
