The TMC Library “on the go”

The TMC Library is now available “on the go” with a mobile version of our website. Find a book or journal, search *PubMed*, check location, hours, and contacts, or get updates. The mobile site automatically loads when you access [The TMC Library home page](#) from your mobile device, or you can access it directly from <http://www.library.tmc.edu/mobile/>

Do we need to chat?

Do you have a quick question, but don't have time to talk? The TMC Library has doubled the hours that librarians are available for live, on-line chat reference. Service is expanded to Monday through Friday from 9:00 am to 5:00 pm. Just click “Ask a Librarian” on the library home page and choose the link in the chat section, or access directly from <http://www.library.tmc.edu/services/ask.cfm>

Free ChemViews Magazine from Wiley

Wiley-VCH (a division of John Wiley & Sons) and the [ChemPubSoc Europe](#), have announced that their online magazine [ChemistryViews](#), has launched the [ChemViews Magazine](#). This free, bi-weekly email contains information about the latest articles available on [ChemViews.org](#).

The Neuroimaging Informatics Tools and Resources Clearinghouse (NITRC) presents popular research tools as well as obscure but fortuitous finds. NITRC offers the neuroscience research community not only a central repository of free databases and imaging applications, but a forum in which to investigate and compare them based on their peers' assessments.
