General Information

Manuscripts

The *Family Preservation Journal* is a refereed annual publication. The *Journal* provides a forum for practitioners, administrators, researchers and educators to present and critically review programs, policy, practice methods, and research findings in the areas of family preservation and family support. The *Journal* is intended to positively impact the type and manner of services provided to families. Research and case studies from those delivering services are encouraged.

Manuscripts should conform to American Psychological Association style, with an optimal length of 18 pages, not to exceed 25 typed, double-space pages (excluding tables and figures), with an alphabetical list of references.

Provide three hard copies or one electronic copy of the manuscript; the title page only should list the author's name, affiliation, address, and telephone number. The author's name must not appear after the title page; only the title should appear on the abstract and first page of the text, include an abstract of about 100 words.

Please submit all materials to Marianne Berry, editor, **Family Preservation Journal**, *University of Kansas, 1545 Lilac Lane, Lawrence, Kansas 66045* or electronically at andysmom@ku.edu
