

The Insider Express

A monthly e-newsletter of the HAM-TMC Library

Vol.2 (2) February 2004

The Insider Express communicates Library news to our users and the Texas Medical Center community. To subscribe or to be removed from this list please send a message to liblines@library.tmc.edu

Hot Topics:

New PubMed Remote Access Link: Why an additional link to PubMed? This link allows users to access full-text articles from a PubMed search when using remote access login. If you are in the TMC and access the Library resources via IP address, then the normal PubMed link will lead you out to the full-text articles.

Visit the new link at: <http://www.library.tmc.edu/forms/pmremote.html>

New Databases Available at the Library:

Sociological Abstracts, Social Services Abstracts, National Criminal Justice Reference, Library of Texas and Mental Measurements Yearbook have been added to the Library's collection of databases.

All can be accessed from the Library's electronic resources at:

<http://hhw.library.tmc.edu/eresources/>

Save the Date: Library Conference coming in May:

The 8th Annual Houston Conference on Health Informatics: *Mapping the Mind: Neuroinformatics*, will be held on May 18, 2004 from 8:00 AM – 3:00 PM at the Kleberg Auditorium, Baylor College of Medicine.

Library Class schedule:

Need help using Power Point for your presentation? Or would you like to learn how to create your own web page? Attend one of the many free classes at the HAM-TMC Library.

For class schedule and registration information visit: <http://hhw.library.tmc.edu/lib200/classes/Cart/>

January-February issue of The Insider now available:
