

The Insider Express

A monthly e-newsletter of the HAM-TMC Library

Vol.2 (8) August 2004

The Insider Express communicates Library news to our users and the Texas Medical Center community. To subscribe or to be removed from this list please send a message to liblines@library.tmc.edu

Hot Topics: New Library Fees; Library Website Coming up in September; Library Project Funded to Promote Community-Based Health Information Outreach; Journal Citation Reports; NIH Word on Health; Library Class Schedule.

New Library Fees

Effective September 1st, the Library will be increasing fees for coin photocopies to \$0.25 per page and copycard printouts and photocopies to \$0.20 per page.

Photocopy service for cardholders will cost \$9, Interlibrary Loan from a local library network will cost \$5, from a non-local library network will cost \$15.

Library Website Coming up in September

The Library website is being developed and will be available in September. Some of the new features include:

- streamlined access to electronic resources
- quick access to specific journals and databases

For a complete list of new features check the library webpage at:

<http://www.library.tmc.edu/news/archives/00000103.html>

Library Project Funded to Promote Community-Based Health Information Outreach

The Houston Academy of Medicine–Texas Medical Center Library will partner collaboratively with Family to Family Network and the School of Library and Information Studies at Texas Woman's University to implement a project improving access to health information and eliminating disparities among underserved and under-represented populations.

For more information go to:

<http://www.nlm.nih.gov/news/nnlmcommunity04.html>

Journal Citation Reports

Journal Citation Reports (JCR), the comprehensive resource database that allows you to evaluate and compare journals, has been updated.

Check the complete story at: <http://www.library.tmc.edu/liblines/2004/TIE/jrnlupdate.htm>

NIH Word on Health

Word on Health, the National Institutes of Health (NIH) consumer health information website, is based on research conducted by NIH's own scientists or by their grantees at universities and medical schools around the country. It is a free non-copyrighted source of health information.

The full story is available at:

<http://www.nih.gov/news/WordonHealth/index.htm#aboutword>

Library Class Schedule

Do you want to learn how to retrieve the Library's electronic journals more effectively? Or how to use bibliographic software such as Reference Manager and End Note? Attend a class at the HAM-TMC Library. Classes are free.

For class schedule and registration information visit: <http://hhw.library.tmc.edu/lib200/classes/Cart/>
