## 8th Annual Houston Academy of Medicine-Texas Medical Center Library Conference

On May 18, 2004, the Houston Academy of Medicine-Texas Medical Center (HAM-TMC) Library held its 8th annual conference in the Kleberg Auditorium of Baylor College of Medicine. Previous conferences focused on medical informatics, but this year's conference took its cue from National Mental Health Month. The keynote speaker was W. Walter Menninger, M.D., Chair of the Board of Visitors of the Menninger-Baylor College of Medicine-The Methodist Hospital Foundation. His speech, *A Psychiatric Perspective of Medical History*, recalled the development of the psychiatric specialty. Richard Munich, M.D., Chief of Staff and Medical Director, the Menninger Clinic, and Vice Chair, Clinical Services, Menninger Department of Psychiatry & Behavioral Sciences, Baylor College of Medicine, spoke as well. His lecture, *Clinical Services at the Menninger Clinic*, focused primarily on what services the Menninger Clinic currently provides. Finally, Elizabeth K. Eaton, Ph.D. Executive Director of the HAM-TMC Library and Elizabeth Borst White, Associate Director of the John P. McGovern Historical Research Center, discussed the gift of the Menninger Library to the HAM-TMC Library in June of 2003. They presented an entertaining slide show, illustrating the move and highlighting the extensive treasures of The Menninger Collection on Psychiatry and Psychoanalysis, one of the premiere collections of books, papers and journals in these disciplines in the world. The Menninger Clinic relocated from Topeka, KS to Houston in July of 2003. The web cast of the Library Conference is now available at: <http://library.tmc.edu/>

The Conference was held in conjunction with the exhibit *Depression: More Than Just the Blues*, on loan from the John P. McGovern Museum of Health and Medical Science, which will be on display in the HAM-TMC Library through June 2004. Books on depression along with items from the Menninger collection are also on display in the Library. We invite you to stop by the Library to see this wonderful exhibit.

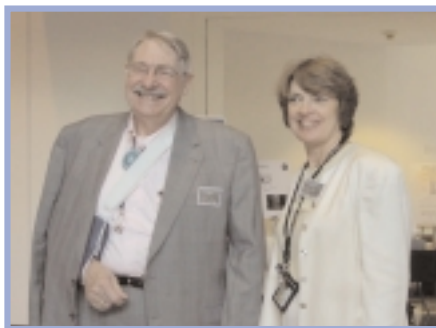

Support for both the Conference and the Menninger Collection is necessary and welcome. Through your contribution, you are helping the Library continue its mission of providing access to health information and education. We thank you for your generosity.

Make checks payable to The HAM-TMC Library, 1133 John Freeman Blvd., Houston TX 77030-2809. If you wish to support the collection with a credit card donation, please call the Library Development Office at 713 799 7153.
