The Insider Express communicates Library news to our users and the Texas Medical Center community. To subscribe or to be removed from this list, please send a message to liblines@library.tmc.edu

Hot Topics: PLoS Clinical Trials; New Database Available at the Library: Clinical Pharmacology; Cell Metabolism, New Journal Subscription; New NIH MedlinePlus Magazine; Featured Classes in June

PLoS Clinical Trials

The Public Library of Science (PLoS) has launched a new open-access journal [PLoS Clinical Trials](#). This journal provides an unbiased, peer-reviewed venue for clinical trials results in all fields of medicine and public health.

More information about the journal can be found at:

http://hamtmclibrarycollmgmt.typepad.com/eresources_news/2006/05/new_resource_pl.html

To access *PLoS Clinical Trials* visit:

<http://clinicaltrials.plosjournals.org/perlserv/?request=index-html&issn=1555-5887>

New Database Available at the Library: Clinical Pharmacology

Clinical Pharmacology is the newest addition to the HAM-TMC Library's databases. Baylor College of Medicine and the University of Texas Health Science Center institutions have access to this resource. There is not remote access capability for this database.

To access *Clinical Pharmacology* please call the circulation desk at 713.799.7147 to ask for an access code. This code will enable you to set up your personal user name and password using the instructions posted at:

<http://resource.library.tmc.edu/resources/ClinPharSetUp.pdf>

Access to *Clinical Pharmacology* is available at:

<http://www.clinicalpharmacology.com/>

Cell Metabolism, New Journal Subscription:

Cell Metabolism is the new online journal subscription from Science Direct. It is available to the Library's educational level users from vol. 1 2005 to the present. This journal can also be accessed remotely.

To access this journal go to the Library web site <http://resource.library.tmc.edu/>

and type Cell Metabolism in the [E-Journals \(A - Z List\)](#).

NIH MedlinePlus Magazine

NIH MedlinePlus Magazine is a new quarterly publication for patients and their families. This free magazine brings the latest and most authoritative medical and healthcare information from the National Institutes of Health (NIH).

To obtain a copy of the magazine visit:

<http://www.fnlm.org/magazine/summer2006.pdf>

To sign up for a free subscription go to:

<http://www.fnlm.org/join.pdf>

Featured Classes in June

Basic HTML and TOXNET. Classes are free and are offered in the Library classroom.

For a complete schedule and to register, check the Library web site
