## ***New Feature in PubMed:Email Updates***

Would you like to receive e-mail updates of your research topic in PubMed? You can do it by using My NCBI. The first step is to perform a search in PubMed. Click on the "save search" link located at the end of the search box. You will be prompted to sign in for My NCBI. If you are not a registered user, click on REGISTER first and fill in the information. Once you have registered, save your search. The system will prompt you to receive e-mail updates on your topic. Select yes.

Questions? Contact the Information Services Desk at: 713.799.7161.

## ***New Electronic Journals Added***

The following electronic journal titles from Lippincott have been added to the Journals@Ovid database:

- Journal of Cardiovascular Medicine
- Journal of Thoracic Oncology
- Men in Nursing
- Nursing: Critical Care

To access these titles go to the Library home page and type the title of the journal in the search box located directly under "Title begins with" on the upper left-hand side of the page.

Note: remote access to these titles is available at the educational level only.

## ***PsychiatryOnline's Free EBook of the Month***

As a subscriber, the HAM-TMC Library has access to a free PDF version of an electronic book every month from the APPI Bookstore. This month's feature is *Brain Circuitry and Signaling in Psychiatry* by Gary B. Kaplan and Ronald P. Hammer Jr.

To access this ebook go to the [PsychiatryOnline](#) database using the "Databases (A-Z) List" and click on the bottom right-hand corner of the PsychiatryOnline home page.
