Library Holiday Hours

The Library will be open on Monday February 16, 2009 from 8:00 a.m. – 5:00 p.m. in observance of Presidents Day. * No Reference services will be available.

Regular hours resume on Tuesday February 17, 2009.

Birthday Party for Abe and Chuck

February 12th is the 200th anniversary of the birth of Abraham Lincoln and Charles Darwin. To celebrate, the Library will have birthday cakes (Emma Darwin's Gingerbread and Mary Todd Lincoln's White Almond Cake), prizes and party favors available on the first floor from 2:00 – 4:00pm. Come have some cake and participate in our drawing for books, Darwin bobbleheads, and other prizes.

Featured Classes for Darwin Day – February 12th

Celebrating Darwin – Review of Biographies

12:30 – 1:30

So Just What Is a Clinical Informationist?

2:30 – 3:00

Just as much of the information in the library has moved to the computer desktop, library services can move to the healthcare team. This provides more timely and appropriate care to patients. The Clinical Informationist works side-by-side with medical teams in meetings, on rounds, and during “consults”. She provides training, on-the-spot instruction, and custom medical literature searching and evaluation. Taught by Sheila Green, Informationist, HAM-TMC Library.

Street Level Classroom

Register at: <http://resource.library.tmc.edu/cls/register.cfm?ClassID=95>

Go Local Texas and MedlinePlus

3:00 – 4:00

Information for consumers on locating reliable health information and linking to health services in the Texas Gulf Coast. Taught by Adela Justice, Consumer Health Librarian, HAM-TMC Library.

Street Level Classroom

Register at: <http://resource.library.tmc.edu/cls/register.cfm?ClassID=94>

Darwin 2009 Houston Events

The bicentennial of Charles Darwin’s birth and the 150th anniversary of the publication of *On the Origin of Species* is being celebrated by [Darwin 2009 Houston](#) with year-long events on Darwin’s life, his contribution to science and continuing developments in our scientific knowledge. The exciting and awe-inspiring facts of evolution and the implications of the science of evolution should be understood by all, scientists and non-scientists alike. Many Houston institutions, including the [Houston Academy of Medicine-Texas Medical Center \(HAM-TMC\) Library](#), [Houston Museum of Natural Science](#) (HMNS), the [University of Houston Libraries](#), and the [Houston Zoo](#), will play a part in [Darwin2009 Houston](#).
