Topics: New Library Fees; Updated Database and Journal Cancellations; Two New Webpages Debut at the Library; September-October Library Classes

New Library Fees

Effective October 1st, the HAM-TMC Library will increase the fees for the following services: photocopy, interlibrary loan and computer search services. Additionally, the Library will begin charging for booking the classroom and conference rooms. A fee will also be charged for custom installation software in the classroom or the conference room.

For detailed information on the new fees, visit the Library website:

Updated Database and Journal Cancellations

Due to yearly price increases and cuts in funding, during a time when all libraries are feeling the brunt of an economic downturn, the HAM-TMC Library has been forced to make the difficult decision to cancel a number of database and journal subscriptions.

To check the current list of [cancelled databases](#) go to:

Two New Webpages Debut at the Library

H1N1 and Hurricane Resources are two new webpages developed by the library staff. The [H1N1 website](#) includes links to the latest news, statistics, maps and other information specifically geared towards health care professionals. [Hurricane Resources website](#) includes a guide to federal and local resources with information related to hurricane preparedness and recovery for medical professionals.

Visit the H1N1 website at:
