Facebook : <http://www.facebook.com/pages/Houston-TX/HAM-TMC-Library/123539852766>

---

## ***Library Holiday Hours***

The Library will be closed on Sunday July 4, in observance of Independence Day. The Library will be open on Monday, July 5 from 8:00 a.m. – 5:00 p.m. Reference services will not be available on that day.

Regular hours resume on Tuesday, July 6.

---

## ***Radiation Event Medical Management – REMM Mobile Access***

REMM provides information on guidance on diagnosis & treatment for health care providers during mass casualty radiological and nuclear events. Mobile REMM contains selected files from the full online version.

To download Mobile REMM go to: <http://www.remm.nlm.gov/downloadmremm.htm>

REMM is produced in cooperation with the National Library of Medicine's Specialized Information Services division, by DHHS's Office of the Assistant Secretary for Preparedness and Response. REMM contributors include experts from the National Cancer Institute, the CDC and many other US and international consultants.

The following devices are supported:

Blackberry®

<http://www.remm.nlm.gov/downloadmremm.htm#bb>

iPhone®/iPod touch®

<http://www.remm.nlm.gov/downloadmremm.htm#iphone>

Windows Mobile®

<http://www.remm.nlm.gov/downloadmremm.htm#ppc>

Palm OS®

<http://www.remm.nlm.gov/downloadmremm.htm#palmos>

Not currently available for Palm Pre

To be notified about updates, register to the listserv at:

### ***Mobile Access to Clin-eguide: Clinical Decision Support***

Clin-eguide is a clinical decision support system that combines clinical disease management, drug therapy and laboratory testing information. It contains patient and disease-specific recommendations from Evidence-Based Guidelines, Nursing Advisor, Facts & Comparisons drug information, National Guideline Clearinghouse, the Cancer Chemotherapy Manual and also provides patient handouts.

The mobile version is compatible with:

- Palm OS
- Windows Mobile
- Blackberry
- iPhone

To download the mobile version of Clin-eguide, click on “MyPDA” link at the top right of the first screen and register.

To access Clin-eguide, go **to** [the library website](#), click on databases, and browse “C” or enter Clin-eguide in the search box.
